YOUR VESSEL TO ADVENTURE | [AquasportBoat.com](http://AquasportBoat.com)

With bow storage compartments, lighted rod boxes, stainless steel hardware and fasteners, the 244 Bay is our largest bay boat model in the line-up. Shallow water adventure awaits you and your crew as you glide to places others can't. There's high-speed Livewell pick-up, and optional raw water washdown'. Additional notable options include electric trim tabs, and a premium JL Audio package. Get ready to fill the boat with prize catches in style.
